Appended Easy to use start-up Wizard

In new MP3 Music Organizer Premium version was appended easy to use "Main Configuration" wizard.

It is shown after program installation and running at the first time automatically. New wizard will let users to start using MP3 Music Organizer Premium in seconds. It help to define:

- source directory (folder, files from which MP3 Music Organizer Premium will process: rename, sort, organize);
- database directory (folder, to which files will be moved or copied after processing);
- action (what to do with processed files: copy them from source directory to database, or move);
- registration (for users, who still did not registered their MP3 Music Organizer Premium product copy, may do it now in automatical mode).

Last product version may be purchased in our online store. All registered MP3 Music Organizer Premium users can get it for free.
